Student Report – Tonami Year 8

Speaking & Listening:

Pokpong, Milin, and Tonmai are naturally confident speakers who demonstrate strong ability in both speaking and listening. They express themselves clearly and are capable of understanding and responding to complex ideas in conversation. When focused, they communicate with excellent fluency and accuracy. However, their level of effort varies, and greater consistency in participation would allow them to reach an even higher standard.

Reading & Phonics:

All three students have strong reading skills and a solid understanding of phonics. They read fluently and can comprehend a wide range of texts, often showing insight into meaning and tone. Despite their natural talent, they sometimes lack focus or motivation during reading activities. With more consistent effort and engagement, their reading comprehension could become truly exceptional.

Grammar & Writing:

Pokpong, Milin, and Tonmai have a very good grasp of grammar and writing conventions. They are capable of producing well-structured and thoughtful written work when they apply themselves. At times, however, their written tasks appear rushed or incomplete, reflecting limited effort rather than ability. With more dedication and careful attention to detail, their writing could easily reach an outstanding level.

Personal Expression & Conversation:

Each of these students is articulate, expressive, and creative in conversation. They are comfortable sharing their thoughts and enjoy engaging with others when interested in the topic. Their natural communication skills are impressive, and with greater consistency, they could become some of the most fluent speakers in the class.

Overall Strengths:

Pokpong, Milin, and Tonmai are bright, capable students with strong English ability across all areas. Their quick understanding, confident speaking, and solid grammar foundation are clear strengths. When motivated, they perform at a very high level and show real potential to excel.

Recommendations for Improvement:

To reach their full potential, the students should aim to stay focused and put consistent effort into all class activities. Following the course regularly and previewing upcoming lessons and books on the website will help them build stronger study habits. With greater effort and self-discipline, their English ability could become truly exceptional.
