Student Report Nine - Year 7

Speaking & Listening

Nine shows steady progress in speaking and listening. He is able to explain situations clearly and is becoming more confident in participating during class. His listening comprehension is improving, and with continued focus, he will be able to respond more quickly and naturally.

Reading & Phonics

At an intermediate level, Nine is building stronger reading comprehension skills. He can understand the main ideas in a text and is developing greater accuracy when sounding out new vocabulary. Continued reading practice will help expand his vocabulary and improve fluency.

Grammar & Writing

Nine is progressing with his writing skills, but he sometimes needs reminders about correct verb tense and sentence structure. With more attention to grammar rules and regular practice, his writing will become clearer and more accurate.

Personal Expression & Conversation

He is able to share his ideas and explain situations effectively. However, he occasionally struggles to recall specific vocabulary or apply grammar structures consistently. With more practice and review, his confidence in expressing himself will continue to grow.

Overall Strengths

Nine has improved his focus in class, which has had a positive effect on his progress. He is a motivated learner who benefits from guidance and encouragement, and he has the ability to develop further in all areas with consistent effort.

Recommendations for Improvement

To strengthen his skills, Nine should make a habit of previewing and reviewing the course materials on the website. This will help reinforce vocabulary, grammar, and structures, allowing him to use them more confidently in both speech and writing. Consistency will be the key to his success.
