Student Report Tieweed —Year 3

Comments

Tieweed is a bright and enthusiastic learner who shows genuine interest in developing her English skills. She approaches classroom activities with curiosity and a positive attitude, which contributes to her steady and fast progress.

She is always present and on time for class. She has a delightful personality and is happy to explore ideas. She is great at retaining information. She shows excellent concentration and is able to attempt ever increasing, more difficult classes.

Speaking & Listening

Tieweed listens attentively to instructions and stories, demonstrating good comprehension. She speaks clearly and confidently in classroom discussions, she is able to expand on her answers with more detail in many situations.

Reading & Phonics

Her reading skills are developing well. Tieweed recognizes common sight words and applies phonics strategies effectively to decode new words. She is beginning to read with improved fluency and expression. With continued practice, her confidence in tackling longer texts will grow further. She is able to comprehend what she is reading and complete relevant questions.

Grammar & Writing

Tieweed enjoys writing simple sentences and uses her pen well in class. She uses capital letters and punctuation correctly. While her grammar is generally sound, she occasionally forgets verb tenses or articles. Encouragement to reread and edit her work will help strengthen accuracy. We are working steadily through grammar stage 2 to ensure full understanding of basic sentence and question structures.

Personal Expression & Conversation

She is imaginative and enjoys sharing her ideas with others. Tieweed expresses herself well in casual conversations and enjoys storytelling activities. She is able to talk about her own interests and gives good context when describing situations.

Overall Strengths

- Strong enthusiasm for learning
- Good listening comprehension
- Steady progress in reading fluency
- Creativity in expression and storytelling
- Excellent focus in every class
- Willingness to engage in all activities
- Asking for help when needed

Recommendations for Improvement

- Practice expanding answers with more details when speaking
- Continue reading aloud daily to build fluency and confidence
- Pay extra attention to editing writing for grammar and punctuation, verbs, nouns, adjectives and pronouns
- I would like Tieweed to work hard on completing grammar stage 2 as this will provide a solid platform to her future success in English class.
