Student Report Tonnam—Year 8

Speaking & Listening

Tonnam shows good engagement during class discussions and activities. He listens attentively and responds appropriately, demonstrating clear improvement in both confidence and fluency. His ability to follow classroom instructions and participate actively has grown stronger over the term.

Reading & Phonics

He continues to make progress in reading comprehension and phonics. Tonnam can decode new words more effectively and is showing a better understanding of context when reading passages. This progress is helping him expand his vocabulary and build a stronger reading foundation.

Grammar & Writing

Tonnam has recently shown noticeable improvement in grammar, particularly in applying new structures introduced in class. His writing is becoming more accurate, and he is able to construct more complex sentences with greater confidence. Continued practice will help refine consistency and accuracy.

Personal Expression & Conversation

He is increasingly confident when expressing his own ideas and opinions. In conversation, Tonnam demonstrates the ability to apply vocabulary from lessons and use it in context. His progress with A2 speaking topics reflects both his effort and growing comfort in spontaneous exchanges.

Overall Strengths

Tonnam is a motivated student who has shown clear improvement across all areas of English study. His grades reflect his hard work, and his enthusiasm for learning supports his steady progress. His strengths lie in his growing confidence, willingness to participate, and ability to adapt to new material.

Recommendations for Improvement

To continue developing his skills, Tonnam should maintain regular practice by following the course closely and previewing materials on the website before lessons. This preparation will help him participate even more effectively and deepen his understanding of grammar and vocabulary. With consistent effort, he is capable of reaching an even higher level of achievement.
