Student Report – Maru, Love, Gohun, and Louis Year 2

Comments

Maru, Love, Gohun, and Louis are a keen, fun, and pleasant group of Year 2 students. They bring positive energy to the classroom and show enthusiasm for learning. Their eagerness to participate makes them a joy to teach, and they are all making steady progress in their English studies.

Speaking & Listening

The students listen carefully during lessons and follow instructions well. They are beginning to use English more actively in class, speaking with growing confidence. With continued encouragement, they will further develop their fluency and pronunciation.

Reading & Phonics

At this stage, all four students are able to read at a basic level. They apply phonics knowledge to decode words and can follow the meaning of simple texts. Regular reading practice will help them improve fluency and expression.

Grammar & Writing

Their writing is developing well, and they are learning to construct simple sentences with increasing accuracy. As they continue to practice, their grammar and vocabulary will strengthen, allowing them to write with greater detail and confidence.

Personal Expression & Conversation

The group enjoys expressing themselves and engaging in classroom activities. They are beginning to share ideas more freely and show creativity when encouraged. Building confidence in conversations will help them to expand their spoken English further.

Overall Strengths

This group is enthusiastic, motivated, and eager to learn. They demonstrate solid reading skills for their age and show a positive attitude toward building their grammar and writing abilities. Their cheerful and cooperative nature adds to the classroom atmosphere.

Recommendations for Improvement

It is recommended that Maru, Love, Gohun, and Louis continue practicing their reading regularly at home to strengthen fluency and comprehension. They should also follow their course on the Universal English Academy website to reinforce what they have learned in class. Encouraging them to use English more often in conversation will help build greater confidence and fluency.
